Mandatory Drivers Meeting 4:00 PM! Drivers meeting is mandatory. If you miss the drivers meeting you will not be permitted to run.

Vehicles will start with an instant green light and race 1 lap around the $\frac{3}{8}$ mile asphalt oval, 1 VS 1. Drivers will pull chips to determine pairings and will be placed on a ladder. Starting at quarterfinals, drivers will go best 2 out of 3 to determine winners. This will be a round robin format with no opportunity to work on the car between rounds. We will be hot lapping. If you lose, you will return to the pits and not continue with the competition. If you win you will get back in line. Failure to get back in line will result in forfeiture. 1st to cross finish line will be the winner of the round.
